

## Model K 3.91 M

Kärcher's award-winning K3 series of pressure washers offers premium performance in a compact package. Equipped with two spray wands, the all new **K 3.91 M** is able to tackle any cleaning project around the home.

For tough jobs, attach the included **DirtBlaster® Spray Wand** to increase the effective pressure by up to 50%! For less intense cleaning, attach the included **Vario Power Spray (VPS) Wand**, which allows you to adjust the pressure right on the wand. The K 3.91 M also includes an onboard detergent tank for convenient detergent application.

Like all of our K3 series pressure washers, the K 3.91 M features an upright, ergonomic design that is easy to maneuver. You can even draw water from a standing source, a feature that comes in handy when a water faucet isn't available.

Wondering how Kärcher's electric pressure washers compare to competing models? Please take a moment to review our [Abrasion Test Results](#).

Much quieter than a gasoline pressure washer and certified by CSA International for safety, the **K 3.91 M** is perfect for residential neighborhoods and subdivisions!
