

Model G 4000 RH

The **G 4000 RH**, German engineered from the ground up, is a high-performance pressure washer designed for heavy-duty use. No job is too difficult for the G 4000 RH! It has many industry-leading features, such as a **390cc Honda GX Series** engine and Kärcher's high-performance **industrial-grade pump with brass pump head** developed exclusively by our German engineers. (The same pump technology was recently used by Kärcher to clean the presidential faces on [Mount Rushmore](#).)

Other advanced features the professional will appreciate on this top-of-the-line unit include a **stainless steel spray wand**, 10" pneumatic tires with metal wheels, a **50 ft. rubber hose** and a complete set of Kärcher's patented Pro-Style quick connect nozzles.

The **G 4000 RH** sports a durable, chip-resistant black crinkle finish and offers the best value in its category...the perfect solution for those who demand the absolute highest level of cleaning performance!
