

Model K 2.25

Say goodbye to your garden hose and hello to the future: the **K 2.25** pressure washer from Kärcher. This lightweight, compact electric pressure washer delivers more than 30 times as much pressure as your garden hose, making it the perfect tool for keeping your sidewalk, patio, driveway and deck clean of dirt and mud.

Attach the included **Vario Power Spray (VPS) wand** to easily clean a wide variety of surfaces. Simply dial up the right amount of pressure for the job! For more intense cleaning, attach our patented **DirtBlaster® spray wand**, which increases the effective pressure by up to 50%!

Weighing in at 13 pounds with a small footprint, this pressure washer is an ideal choice for those who place a premium on light carrying weight and minimal storage requirements. Much quieter than a gasoline pressure washer and certified for safety by CSA International, the **K 2.25** is perfect for condos, townhomes and urban neighborhoods.
