

## Model K 3.67 M

Kärcher's award-winning K3 series of pressure washers offers premium performance in a compact package. Equipped with two spray wands, the **K 3.67 M** is able to tackle any cleaning project around the home. For tough jobs, attach the included **DirtBlaster™** Spray Wand to increase the effective pressure by up to 50%! For less intense cleaning, attach the included Vario Power Spray (VPS) Wand, which allows you to adjust the pressure right on the wand.

This model also comes equipped with one of our most popular accessories: a **soft bristle wash brush** which attaches to the spray wand to make detergent application a snap. Simply fill the detergent tank with Kärcher Pressure Washer Detergent, attach the soft bristle wash brush and apply the sudsing detergent to the area you wish to clean.

The **K 3.67 M** features an upright, ergonomic design, is easy to maneuver and takes up very little storage space. You can even draw water from a standing source, a feature that comes in handy when a water faucet isn't available.

Wondering how Kärcher's electric pressure washers compare to competing models? Please take a moment to review our [Abrasion Test Results](#).

Much quieter than a gasoline pressure washer and certified by CSA International for safety, the **K 3.67 M** is perfect for residential neighborhoods and subdivisions.

\*Our K3 series pressure washer was awarded a Best Buy by Consumers Digest magazine for its "high-end performance at an attractive price" in the magazine's most recent review of pressure washers.
