

Model G 2600 PH

Do you have a patio, deck or driveway you would like to clean? Would you like to keep your house siding free of dirt and other residue? There is no need to hire an expensive professional cleaning service: do it yourself safely and quickly with the help of the **G 2600 PH** gasoline pressure washer from Kärcher!

The **G 2600 PH** features an easy-to-start **Honda 161cc GCV 160 engine** and a durable, **commercial-grade pump with brass pump head** developed exclusively by our German engineers. (The same pump technology was recently used by Kärcher to clean the presidential faces on [Mount Rushmore!](#)) A set of four Pro-Style Spray Nozzles is included to help you tackle any job around the home. Heavy-duty 10" pneumatic tires with metal wheels provide maximum maneuverability, even in difficult areas.

The **G 2600 PH** represents great value, offering German engineering at an affordable price. An excellent choice for the first time pressure washer buyer!

NEW! View online "how-to" videos using Kärcher gasoline pressure washers. These videos demonstrate proper steps to achieve optimum cleaning results.
