

Introducing the G 4000 OH with Remote Pressure Control!

Kärcher's most advanced pressure washer! The **G 4000 OH**, German engineered from the ground up, is a high-performance pressure washer designed for heavy-duty use. No job is too difficult for the G 4000 OH! It has many industry-leading features, such as a **390cc Honda GX Series** engine and Kärcher's high-performance industrial-grade pump with brass pump head developed exclusively by our German engineers. (The same pump technology was recently used by Kärcher to clean the presidential faces on [Mount Rushmore](#).)

Our customers asked us to develop a pressure control system for our gasoline pressure washers that is as easy to use as the variable pressure control on our electric pressure washers. We are pleased to introduce our all-new **Remote Pressure Control**, exclusive to the G 4000 OH. Simply turn the Remote Pressure Control in either direction to increase or decrease the amount of water pressure and volume right on the wand. Instead of having to go to the pressure washer pump or change the spray nozzle each time you want to change the pressure, simply dial up the desired amount on the Remote Pressure Control. This new feature allows you to work continuously without having to stop each time you want to adjust the water pressure!

Other advanced features the professional will appreciate on this top-of-the-line unit include a **stainless steel spray wand**, 12" pneumatic tires with metal wheels, a **50 ft. rubber hose** and a complete set of Kärcher's patented Pro-Style quick connect nozzles.

The **G 4000 OH** sports a durable, chip-resistant black crinkle finish and offers the most advanced features in its category...the perfect solution for those who demand the absolute highest level of cleaning performance!

NEW! View online "how-to" videos using Kärcher gasoline pressure washers. These videos demonstrate proper steps to achieve optimum cleaning results.

TECHNICAL SPECS

Part Number	1.194-801.0
Operating Pressure	4000 PSI
Power Supply	390cc Honda GX 390
Water Volume	3.6 GPM, Direct-Drive Axial Pump
Maximum Water Inlet Temp	104° F
Weight w/o Accessories	122 lbs
Dimensions (L x W x H)	36.5" x 23.5" x 30.5"

Warranty	1 year limited Kärcher warranty [View Kärcher Warranty]
	2 year limited Honda engine warranty [View Honda Warranty]

G 4000 OH STANDARD ACCESSORIES

50 Ft. Rubber Industrial-grade High Pressure Hose
 Industrial-grade, stainless steel spray wand with Quick Connect adapter and integrated Remote Pressure Control
 Injecteur de détergent (Tube Siphon)
 Industrial-grade trigger gun with child safety lock
 Pro-Style Quick Connect nozzles (0°, 15°, 25°, 40°, detergent)
 Supports de lance, de poignée-pistolet et de boyau intégrés

» OPTIONAL ACCESSORIES FOR THE G 4000 OH

- Boyau de succion d Eau avec Filtre
 - Rallonge de boyau haute pression de 50 pieds
 - Protection de la Pompe
 - Kit de Nettoyage Surface FR 30
 - Kit d Hydrosable Humide avec le dispositif d Alimentation d Abrasif
- Kit de Brosse de lavage à friction
 - Kit d Hydrosable Humide sans le dispositif d Alimentation d Abrasif
 - Kit de Brosse de Lavage Rotative
 - Kit de Nettoyage de Tuyau
 - Nettoyeur tout usage concentres
- Nettoyeur pour patio concentres
 - Dégraissant concentres
 - Nettoyeur de maison concentres
 - Nettoyeur et cire concentres
