

Say goodbye to your garden hose and hello to the future: the **K 2.38 M + Clean Kit** from Kärcher! This lightweight, compact electric pressure washer delivers more than 30 times as much pressure as your garden hose, making it the perfect tool for keeping your vehicles clean of dirt and mud, in addition to easily cleaning your sidewalk, patio, driveway and deck.

Attach the included **Vario Power Spray (VPS) wand** to easily clean a wide variety of surfaces. Simply dial up the right amount of pressure for the job! For easy application of detergents and to more quickly and thoroughly clean delicate painted surfaces, attach the included **Soft Clean Wash Brush**.

This unit also features a **five-piece Clean Kit**, consisting of a dual purpose sponge, bristle brush, rim brush, three **SoapPacs** and an accessory bag, all created to work in tandem with your K 2.38 M pressure washer.

Cleaning your vehicle has never been easier or more fun! This personal car wash system is perfect for quickly obtaining a lustrous shine with less effort than using a garden hose and bucket. Worried about damaging your vehicle's paint or clear coat finish? Don't be! Our pressure washers have infinitely variable pressure, allowing you to select the ideal level of pressure for cleaning your vehicle.

Weighing in at only 14 pounds with a small footprint, this pressure washer is an ideal choice for those who place a premium on light carrying weight and minimal storage requirements.
